

All-Scholastics Spring 2007

Dana Jamieson, Lincoln-Sudbury

► 400, Jr.

A constant presence on the Warriors' vaunted relay teams, Jamieson makes an individual appearance after winning the 400 meters at the All-State meet in 55.8. The junior also posted a second-place finish in the long jump as L-S captured the state title.

Molly Binder, Lincoln-Sudbury

► 800, Jr.

Binder did her part in retaining the Warriors' championship form, winning the 800 meters with a time of 2:11.88. The junior also won the 1,000 meters at states in the winter, and is an integral piece of L-S's championship relay teams.

Lincoln-Sudbury

► 4X400

It almost seems unfair the collection of talent at the Warriors disposal. It's the same quartet that captured the state title in 2006, and the competition cannot be pleased by the fact that they are all still juniors, and will be adding to L-S's extensive trophy cabinet next year as well. The group ensured the Warriors' repeat in the state championship, beating last year's winning time by more than three seconds, posting a 3:57.01.
