L-S Breaks State Record at Nationals

The Lincoln-Sudbury girls' 4x800 team broke the state record with a time of 9:05.11, good for sixth place at the Nike Outdoor Nationals at North Carolina A&T University in Greensboro, North Carolina. "The girls get a big shout for doing what they did. They're also All-Americans now, because they finished in the top six", said Lincoln-Sudbury coach Mel Gonsalves. The squad consisted of Dana Jamieson, Molly Binder, Claire Arthur and Emily Mepham. "Emily did a great job at the end holding off a girl that tried to pass her for sixth", said Gonsalves. Assistant coach and middle distance specialist Chris Tarello coached the girls at the meet.
