## The Boston Globe's All-Scholastics Spring 2006

### Lincoln Sudbury

► 4x400

There seemed to be no doubt as to the most crowd-pleasing event at All-States. In the 4x400 relay, Lincoln-Sudbury (left to right: Emily Mepham, Molly Binder,Oliva Reed, and Dana Jamieson) took first place in 4 minutes .02 seconds. Second place Bridgewater-Raynham came in at 4:00.06. Third place Stoneham, 4:00.66. With the finish so close, there was a delay in the official announcement of the winner, a review of the video being necessary. The all-sophomore quartet provided Lincoln-Sudbury with one of its most crucial and exciting victories on its way to the team championship.
